[DOWNLOAD HERE](#)

You can download a free demo. Developed by Bugbear Entertainment, FlatOut is one of the most spectacular Racing games you'll ever see! Experience the drive of your life as you throw yourself around 45 challenging tracks in one of 16 fully upgradeable cars. The track environment is subject to the all-encompassing physics system that is unique to FlatOut, and is set to define a new standard in racing games. Fences will shatter, tire walls will explode, water tanks and barrels will fly across the track into other cars. Every time you lose control, you will truly feel the weight of the car as it collides with and destroys a barn, or smashes into the pack of cars ahead of you, and with 40 deformable pieces on every car sparks are guaranteed to fly! Anything you destroy or alter stays a part of the race, increasing the carnage to unprecedented levels! Broken fences, free rolling tires, and even mangled parts of cars are left scattered around the track, increasing the mayhem with every lap. An extensive championship mode will keep you 'FlatOut' for months on end, as you battle through a huge variety of races, mini-games and the most outrageous arenas of destruction you could possibly imagine. And it doesn't stop there. Online and multiplayer gaming options add even more variety to the game play. Challenge your closest peers, or the best gamers from across the globe and compete in the most realistic racer to date! Publisher: Strategy First
