Personally sampling every erotic attraction is not part of the deal. When Adam Grant agrees to give newspaper reporter Tori Ford the hotel's inside story, he never dreams she'll insist on his full cooperation and participation. This button-down executive is in for an even bigger surprise when it turns out that she really wants to unbutton him. Tori's campaign to get Adam to drop his inhibitions doesn't miss a trick. When she finally persuades him to join in her fun bedtime games, she knows anything goes. And soon their sexual games become a race to see who hits the covers first.
