Your Home Sold Thinking about selling your house without a real estate agent? Within my guide, Your Home Sold, Ill teach you how best to present your home to buyers, how to think inside their shoes, and leave the negotiating table with the best deal possible for both parties! Inside my guide Your Home Sold, youll know exactly what inquiring buyers want to know about your house. For example: the 5 ingredients to selling a house according to experts, 4 simple words that can double the response to your ad, the test you should have performed on your house to impress potential buyers, 3 simple tips for preparing your home before people start showing up, how to find out what questions prospective buyers are likely to ask - before they do, 7 items every contract should cover. And much much more... A must have if you want to sell your house seriously. This ebook come in PDF format. You need a free Adobe Reader (most people have this on their PC already) to read it on your computer or laptop.
