It really is true. You can make solid, autopilot profits from blogging. Some people do it for fun, some to get noticed, some even to rant and rave, but this video series will show how to "make money" with blogging. That's the reason you are here right ? You may already know, there are bloggers out there, such as Yaro Starak, Perez Hilton and others who have built up very lucrative business empires from blogging alone! However, its not as easy as slapping up some wordpress or blogger site and expect the cash to roll in. There are steps and techniques involved if you are blogging for money. You may be jaded and skeptical about people who have made a fortune online especially blogging about their personal experiences. And fair enough too, I'll have to agree with you because I have met heaps of marketers who claim they are making a fortune from their blog, when in fact they are really not making that much at all. You see, "blogging like the guru's" is more than just having ads or clickbank links slapped all over the site or keywords and anchor text in every paragraph. There are alot of other factors to keep in mind as well if you want to be a successful blogger...you need to research things such as the profitability of your niche, keywords to use, what sort of product do you want to sell or promote as an affiliate online and alot of other factors you need to consider. You see, people like Yaro Starak or Perez Hilton just didn't grab a wordpress blog and start hammering in random thoughts on their blogs and ker ching, ! A \$20,000 paycheck in the bank everyday. (Well maybe Perez lol) They followed detailed, step by step methods to create powerful, profit churning blogs that make them a tidy profit, even earning a living from just blogging alone! And that's what this step by step video series will do for you. I know people who I call non-commerical bloggers. In other words, they blog for fun. One of them decided to try and earn some cash to supplement his daily income and so he got himself an ebook on blogging from and tried to put it into practice. After spending \$67 on this ebook guide and implementing the techniques inside....he had limited success. He pushed on and got more confused instead. He asked me to take a look at the guide and the first thing I noticed was that it was incomplete, and hardly step by step. He only had half of the story, slap up some ads and hope for the best when people click links...it doesnt work like that anymore does it ? Did it ever ? It was then that I decided as a succesful blogger myself I would share the tactics

and techniques that have monetized my blogs to success. "Financial Success" So I have spent countless hours and alot of my own money putting together this step by step video series so you too can becoming a blogging guru and achieve financial success instead of spending hard earned dollar after hard earned dollar on incomplete guides ! I have even flipped some of my blogs for upwards of \$4000 by following some very simple monetizing techniques. So here it is, the step by step video series that will take you from "funtime blogger" to "blogging guru". From the Desktop of: John Farrar Dear Blogger, It really is true.
