Easily Create Killer SEO Optimized Sales Pages, Landing Pages & Squeeze Pages That Google Will Love, Using The Power Of Wordpress... Get Your Hands On These Preformatted Wordpress Sales Page Themes You Can Have Up & Running On Your Site, Within 5 Minutes Flat! How would you like to use the power of wordpress to run your next professional sales page? If your answer to that question is yes, youre in luck my friend, because weve just put the finishing touches to a set of 20 excellent wordpress sales page themes you can start using within the next 5 minutes... Each theme has been designed to do one thing, and one thing only...help you sell more. It does away with standard links and headers, aswell as any other distractions a normal blog theme has, and it also comes pre - formatted with numerous features you would expect to have on a sales page! Signatures, bullets, testimonial boxes, headers, sub headers and much, MUCH more... We have 20 cool designs to choose from, all different in their own unique way, you simply choose which one you think will suit your site, and activate it inside your wordpress control panel...it couldnt be any simpler...AND They Can Be Used On As Many Sites As You Want Too! This really is the ideal theme package to use if you want to sell products with Wordpress, because its designed specifically for that use! If you can use an ftp program, you can use these themes. There is no tweaking of the wordpress code to make these work, you dont even have to know anything about php or html. Simply write your post or page as normal, choose where you want your preformatted headers, links, testimonial boxes and bullets to go, click publish and thats it!
