Advanced CB Paycheck Secrets shows you how to become a backlinking ninja to top your affiliate sites on the No.1 position on Google, where most of the bulk of traffic are! So the equation now is: Create Your Affiliate Site - Rank It No.1 On Google - Get Autopilot Traffic - Get Sales On Autopilot! Here's the breakdown in this course: Video 1 - Why Backlinking is So Important Explains the basics of backlinking and why it is so important to be No.1. In here we demonstrate with an example of entering "click here" on google search and analysing deeper of the no.1 position which is Adobe Reader for this keyword. Here we also demonstrate the way seo traffic is divided in the top 10 and stats have shown, the no.1 spot gets 50 of the traffic/clicks! Video 2 - Types of Backlinks Explains the PR (Page Rank) term that Google uses to 'value' sites. The two major components of backlinks are Quantity vs Qualitye. Here we introduce to the users what type of links are quantity, such as mass article submissions and what types are quality are like getting links from authoritative sites (.edu .gov) and other high PR sites Video 3 - Your Competition Analysis Spy Tools One of the most important factors about SEO is to Know Thy Enemy. In here we introduce some seo competition analysis tools and how to use them in order to know who we're up against. This way we'll get a gauge of what we need to do before spending any efforts at all into trying to rank for our campaigns. Video 4 - Fast Indexation Tools When we publish new content such as new blog posts, articles, videos, podcast or even a new backlink, it's very important to help Google find them as soon as possible. The robots will find them 'eventually', but we can also use PING tools to speed up the process so that it helps surge our rankings faster. Video 5 - RSS Feeds RSS feeds are an excellent source for traffic, repeated visitors and more importantly one-way backlink. Video 6 - Social Bookmarks Explains the concept and power of social bookmark where this is a backlinking strategy to expose your link to a network of people. Social bookmarking sites is an opportunity for your sites to become viral and as a result many more backlinks to your site to help boost your rankings. Video 7 - Blogs and Forum Commenting A powerful backlinking method where we aim for high PR sites to get backlinks. A secret tool will be introduced to find these authoritative sites and how we can post our comments in these sites

and 'keep' them there. Many times people abuse this backlinking strategy and as a result they spam worthless comments and get their links removed and thus effort wasted. In this course you will learn how to do blogs and forum commenting the right way to ensure that your link stays in these high PR sites forever. Video 8 - Web 2.0 Sites Web 2.0 sites is a powerful platform that allows interaction between two or more people. These are the type of sites that are in the list of "google's love". Here we'll have a walkthrough on how to create mini pages from these web 2.0 sites (squidoo/hub pages) and how to create backlinks from them. Video 9 - Articles Here we introduce the concept of 'how to do the work once and get 1000s of backlinks to your sites overtime'. This method is really quantitative vs qualitative. But still highly effective because google will see links being built to our site on a regular basis. But of course, we won't be submitting articles manually. In here we introduce some powerful tools (article spinners and submitters) that will automate the ENTIRE process. Video 10 - Profile Links Description: A powerful source for PR4-9 back links that's guaranteed to help you surge up the search engine results. You can ranked the no.1 position just by focusing on this 'one' method alone. Video 11 - .Edu and .Gov .Edu and .Gov backlinks are highly valued by Google. These type of links have been known to multiply the value by 25x over regular pages with the same PR! So 1 PR1 .edu link is equivalent to 25 PR1 regular site. These type of links are hard to come by but we introduce a secret code to show you how to find a list of them. Video 12 - The Link Building Plan and Keeping It Organized Advance ClickBank Paycheck SecretsAs you've learned there are many ways to build links and it can get overwhelming. Here you will learn how to organize a link building matrix to follow. Re-emphasis of the importance of automating the process using tools because backlinking is just hard labour. Alternatively, you may also outsource to sites like digital point and warrior forum.. and closing of course. Stop wasting your money and time chasing those so called '3 clicks to Auto Traffic Google loophole get rich quick' software programs that promise easy money for doing nothing. Trust me, the only people getting rich off those are the product creators. If you're looking for solid, effective & REAL methods that WORK then you need to get this course right now.
