Think you're weary all the content providing avenues there are? Think again, because you're about to... Discover How You Can Harness The Power of The Internet's Greatest Retail Giant And Get Your Content Seen and Read By More People Than You Ever Thought Possible! Are you frustrated with endeavoring to drive traffic with the same old methods? Have your site stats flatlined? Are you searching for a different way to get your valuable content in front of interested readers? Well look no further, because Amazon is the answer you're seeking! We've all shopped with Amazon. In fact, it's possibly the first place you look when you're in the market for a new book, CD, or video. You can be one or more of the scores of users who can't imagine life without their Kindle. And you most have in all probability an Amazon affiliate account that gives you a couple of dollars (or maybe even more!) monthly. But have you considered using Amazon's marketplace as a method to gain new customers? Stay tuned, because in this info packed special report, I'm going to show you exactly how you can harness the power of the retail giant Amazon to gain new readers, sell more to returning customers, and even convert your web log posts into a format suitable for book lovers. The Elephant in the Room When considering selling online, one name is at the forefront: Amazon. Started in 1995 from a Seattle parlor, Amazon has become one of the largest retailers in the world, and THE largest online. Amazon's holdings include such diverse properties as IMDb.com, Zappos.com, Audible.com, and the premier self-publisher, CreateSpace. When you partner with Amazon to sell your content, you're partnering with an internet marketing giant that is nearly unstoppable relating to selling power, traffic, and exposure. Getting your book listed here is your ticket to increased sales, profits, and satisfied customers who come back begging for more. It's time to kick your content sales into high gear by capitalizing on all this Internet authority can offer you. In Amazon Navigator, you'll quickly learn how to use the power of Amazon's reach to further your own business, get more customers, and drive more sales. Hazardous Waters Ahead Self-publishing - even with the simple systems CreateSpace and Amazon have created - is not a walk in the park. There are lots of dangers that lurk just beneath the placid waters - dangers that might cause an unsuspecting content provider to miss her step and fall into a trap from which she cannot escape. But when you know what to look out for from the start, the going is a

lot easier. When you follow in the footsteps of somebody that has traveled the road before you, you'll quickly see how to move from one step to the next without missing a vital turn or tripping over an expensive mistake. Follow together with me as I find your way around the Amazon self-publishing system and you'll find out about *

- * Available Formats - including some you may never have considered, but which may well be ideal for your online business.
- * Kindle Formatting - and the simple alternative every webmaster can use to publish high-quality articles on everyone's favorite eBook reader.
