Learn How To Convert Resell Rights & Private Label Products Sitting On Your Hard Drive Gathering Digital Dust Into Cash-Generating Assets That Makes Money For YOU At Will! Discover The Biggest Lie About Resell Rights Items And Private Label Products That Is Sucking MAJORITY Of The Online Marketers Into Poverty At Warp Nine Speed... And Precisely, Step-By-Step, How You Can Escape This Terrifying Wrath! Rene Fong Dear Frustrated Infopreneur, You're definitely witnessing the soaring popularity of both Resell Rights and Private Label products in the online marketing scene today. And the reason they're popular is because of one very important benefit among many others: they're HUGE time-savers. By this, it often means you get to skip the long, arduous product development process. Many sophisticated marketers often offer their products as turnkey as possible today - and this can include providing graphics, sales letters, mini sites, thank you pages, etc. And in some marketing circles, some product authors even go as far as to provide a crash course guide to setting up your reseller site for sale. All in all, the idea behind providing Resell Rights or Private Label Rights to Info Products is so that the reseller (that's you) can conveniently skip the product development process, shortcutting one gigantic step toward your profits. Right??? Now, It's Time For Me To Reveal To You The Biggest Lie... Look, if you believe that buying these products with Resell Rights and Private Label Rights are going to make you rich without doing a lick of work, then you've been outright suckered or blatantly lied to. Whoever sold you those products possibly could have lied to you on that fact... or it could be that due to your 'plain old just wanting to be rich so desperately' self-deception that you've created for yourself. I honestly don't know. But I do know one thing for sure: those products can't make money for you unless you know how to make them do so! I know this is not all music to your ears, but here's something else you need to know for real if you're serious enough about making room for improvement in your online marketing career... There Are Actually More Lousy Marketers Than Lousy Products! But if I ever have the time to rant, I'd often say: there are more lousy marketers than lousy products in the marketplace! Why? Simple. If you're a lousy marketer, you cannot turn the products

you have in your hard drive into profits, no matter how good or high quality they are. And the result: those products become nothing more than accumulated digital dust in your hard drive.
