"Give Me Five Minutes and I'll Have You So Excited About Creating Your Own Scrapbook...You'll Start Immediately!" Memories are the easiest things to lose. It's so hard to hold on! Don't forget your memories - CELEBRATE THEM! Maybe you remember the last time your family got together for the holidays. You can remember whose house everyone met up at. But can you tell me what your little nephew was up to all night? Do I have to remind you of what your Aunt did to make everyone burst up with laughter? Of course these are hypotheticals, but we both know I'm on the right track. No one can remember every single fun detail that life brings us. Unless we let these memories live on in Scrapbooks! People have been creating scrapbooks for ages! And they've come a long way. The scrapbooks made by professionals are truly amazing... ...And now you can create scrapbooks with that same professional feel with... Scrapbooking Pro Who else wants to learn the tips and tricks for creating a professional scrapbook full of memories? Tell me something right now... ...Who do you know that would appreciate a scrapbook made just for them? I bet you could name several people. A completed scrapbook is one of the most cherished items anyone can have. Honestly, if there's a fire, the first possessions people usually grab are photographs. And definitely a book full of them! There's no better way to remember a trip than to take it again, page by page. There's no better way to remember a childhood or life, then page by page. Scrapbooks are captured memories - which make them a powerful thing. If you're going to put memories in a book, you're going to want to do it in the best way you can. After all, you're going to be sharing this with countless friends and family. If you've ever had a chance to see a professionally made scrapbook, then you've probably said to yourself, "THAT'S what I want to make." Well now you can, because in "Scrapbooking Pro," you'll find... "...Secrets of Creating Scrapbooks Like the Pros!" A professionally made scrapbook can be expensive. But VERY nice. When you have been working with scrapbooks for a long time, you gain experience and pick up lots of tips and tricks on the way. You do not have to become a professional scrapbook maker in order to learn what they know! "101 Scrapbook Tips" is over 100 pages full of tips and tricks from people who've done all the research for you. But now YOU get to take advantage. Just look at SOME of the information you will find inside: Realize that you do not need a lot of

supplies to start your first scrapbook. Learn to create "Photograph Mosaics" for a "funky" look. Discover how tags can add a sense of professionalism to your project. Learn what you can do to fix mistakes... WITHOUT starting over! Understand the importance of a color scheme and how it will affect YOUR scrapbook's appearance. Realize that some photographs contain chemicals that might spell disaster for your book. Understand that chronological is not the ONLY choice when selecting order. Discover the art of weaving photographs for a 3D look. Learn some tips for "embellishing" your scrapbook. Discover why old glue and paste methods are a thing of the past. Learn to create homemade paper for use in your scrapbook. Discover what elements you need to pay attention to in order to keep your scrapbook from aging. Learn how to protect your scrapbook when including newspaper articles. Find where you can find graphics for your scrapbook for free. Discover 4 cheap items that can help turn you into a scrapbook-ing pro! Find 3 questions to ask yourself when selecting a theme. And there's MUCH more scrapbooking design tips - guaranteed! "Are You Ready to Start Capturing and Storing Your Memories?" Countless tips, tricks, and ideas fill over 100 pages in an ebook that's bound to keep you and your loved ones busy for as long as you wish. "Can you think of a better family project than a scrapbook?" It's fun for the whole family. Take photos from your last family vacation. Split up pages evenly - and then just let everyone bring their own personality to the project. And here's a good tip: Have everyone make a page dedicated to someone else in the family! An instant family classic! With "Scrapbooking Pro," we'll give you enough ideas to fill 20 family heirlooms! Just TRY and use them all - it'd be nearly impossible! "Think of That Someone Special That You'd Love To Surprise With A Scrapbook of Shared Memories!" What better way to relive past memories... then page by page, memory by memory? When you haven't seen someone in a long time, it can be nice to let him or her know that you haven't forgotten them. That you still cherish the times that you've had together in the past. And that you're looking forward to the times that are yet to come. Or maybe a good friend's birthday is coming up, and the perfect present only can be time spent making the best scrapbook possible. There's no better way to show you care. Getting "Scrapbooking Pro" today will show you how to start crafting scrapbooks like a professional tomorrow. Hours upon hours of research and experience have been brought together to help friends and family share their memories in the best way possible. If you've ever seen a professional looking scrapbook, you know what I mean. Making a beautiful scrapbook is priceless. But I'm going to tell you how you can create one for the ages for far less than it's worth. If you want all the insider secrets of the pro's, you can find them in "Scrapbooking Pro" 41

Pages
