----- Why Pay someone else to do something that you can do yourself? Do you think working on your car, truck, or motorcycle is to hard or confusing? Service manuals have been helping people work on and/or fix automobiles for many years! Seasoned veterans (dealerships and mechanics) and ordinary people (like me) use service manuals on a regular basis! I used to have no idea how to change my own oil, but with a service manual handy, I was able to learn with no problems at all! All mechanics who you would normally pay to work on your car or truck uses a service manual to do the job! Everyone has to learn somewhere, and that place is the service manual! Don't pay inflated prices for work when you can easily do it yourself! Service Manuals and Repair Manuals cover everything from scheduled maintenance to the removal and installation of complete engines! Need Air Conditioning work? This manual covers it! Need brakes replaced? This manual covers it! Need to remove your bumper and fix something behind it? This manual covers it! Don't pay someone else to do something prior to seeing if you can do it yourself. Save thousands of dollars by being your own mechanic with the help of this manual!
