Brand Dynamics For Internet Marketers Full-Blown Multimedia Course! Includes 5 Modules with Videos, Audio, Presentation Slides, and Transcript - Comes with Private Label Rights! I have teamed up with Elle and based on her experience and expertise as a professional design-and-brand consultant, we conceived this full-blown multimedia course that teach A through Z on applying Brand Dynamics to your Internet Business. The course spans a total running time of 45 minutes, broken down into 5 distinct, step-by-step Modules. Because I have cut the fluff out, only proven content is distilled into this course - which you can now private label as your own with full confidence!
