YOUR CITY YOUR STATE 4:12 pm, Monday Afternoon Dear Friend, According to recent surveys done, over 66 percent of Americans age 20 and over are overweight by at least 20 pounds. Obesity is at an all time high as America becomes the fattest nation on the face of the earth! If youre like me, you think thats troubling! Most of us could stand to lose a few pounds, or at the very least start down the road to a healthier lifestyle. We have become a nation dependent on fast food chains and quick-fix pre-packaged foods in order to accommodate our busy lifestyles. If youve found yourself with a couple of spare tires around your mid-section, you probably know you should go on a diet. But you dread doing that because you dont want to have those hunger pangs that you think inevitably come with diets and weight loss. Change Your Thinking Today... You dont have to be hungry when you diet. In fact, you might find yourself enjoying the kinds of foods you never thought you could while on a weight loss program and never feel like youre starving yourself. How can you do that? By Buying This Book! Ive been given exclusive access to an amazing new book that can unlock the mystery behind dieting, losing weight, and never feeling hungry while youre doing so! Its titled, Losing Weight Without Starving Yourself and Im offering it to you right now! I couldnt believe it either. Ive been through the gamut of fad diets, those fat burning pills that promise to take off 20 pounds in just 3 days....you name it, Ive done it when it comes to weight loss.
