Banner Exchange Script Create a Banner Exchange Website!! Owning your own banner exchange is an excellent revenue generating traffic tool that you can use to promote your own website network. Plus you make 100 of advertising and traffic services. The banner exchange site is both free and paid with free accounts operating 100 automated. How it works The free/paid banner exchange provides a 2:1 banner ration (of which the administrator can change), which means for every two banner impression that loads on a user loads on their website, they get one impression of their banner on a member site. Every other banner impression is filled by a house promoting the exchange. For paid services, this site boasts paid credits and banner advertising on the main website. In addition this banner exchange has an anti-cheat referral system that promotes the exchange itself. You set the referral credits for your members. With no extra fees other than hosting, this site is a serious traffic generation and advertising based money making tool. SUPER BONUS: Order now and receive MASTER Resell Rights so you can sell Banner Exchange Script and keep 100 \$\$\$ of the profits! Youll even get a copy of this sales page which you can easily customize!
