URL Clamp + Gift Discover How to Shrink Long URLs & Hide Your Affiliate Links Right From Your Desktop! If you have ever wished that you could quickly shorten the long URLs you normally send to friends and customers, or if you have ever wanted to hide your affiliate links from newsletter, forum and ezine readers, then this is definitely the most exciting message you will read today! Heres why: Im about to reveal an amazing new software program that will allow you to do all of the above that is, shrink URLs and cloak affiliate links all with a simple click of your mouse! Its true. Now you no longer have to worry about sending long URLs that break and then dont work in your friends, or customers, email client. Plus, this amazing program will also allow you to easily hide your affiliate links and instantly increase your commissions! URL Clamp makes reducing long URLs or hiding affiliate links as easy as clicking your mouse! Plus, thanks to its simple user interface anyone even someone with no Internet experience at all can use it! Heres How This Powerful Software Program Works: When youre ready to shorten a long URL, simply double-click the URL Clamp icon on your desktop, follow the few, easy steps and you will have a new shortened URL in no time! Then all your friends and customers have to do is click on the short link to be automatically forwarded to the longer one. You can use these new shortened links in emails, newsletters, ezines, ebooks, in forum postings and anywhere else a link can be posted. And the URL Clamp program works the same easy way when you need to hide affiliate links, too! In fact, theres never been a program this easy-to-use and this inexpensive that literally takes you by the hand and leads you through the short, simple steps of shortening or hiding links! Here are just a few of the many benefits youll realize with URL Clamp: * Eliminates having to send URLs that often break in emails once and for all! * Enables you to easily hide your affiliate links which could send your affiliate profits soaring! * Provides you with free lifetime upgrades we are dedicated to keeping URL Clamp a cutting-edge software program and, as a result, will constantly be on the lookout for technology updates and improvements that we can use to make the product even better and when we find something, we promise to send you a new version of the software ASAP! * Incredibly easy-to-use user interface makes taking full advantage of URL Clamp a snap! This is Your Chance to Start Easily Turning Long URLs Into Easy-to-Remember Short URLs!

Long website URLs are difficult to remember. URL Clamp allows you to quickly shorten those links into small, friendly and easy-to-remember links that are perfect for sharing with friends and customers. Long URLs usually break when inserted into an email message, and then dont work. Savvy recipients can usually fix the link and make it active again, but many other recipients dont know how to do it leaving them out and costing you potential profits over the long run! So why not get URL Clamp today and immediately begin: * Shortening long urls to make them more memorable and manageable! * Ensuring URLs that you send via email dont break! * Hiding your affiliate code and increasing your click-throughs! 30 Day Money Back Guarantee BONUS GIFT: Please choose a bonus gift (same or less in value) at melissam.tradebitand email to melissaainuddin@gmail.com More products and resources at eBizZone.net Sincerely, Melissa Ainuddin
