

In Our Time By Ernest Hemingway

[DOWNLOAD HERE](#)

Format: Audio Book MP3 Language: English Release Date: March 4, 2009 Categories: Audiobook, Adventure, Fiction Product Description: In Our Time is a collection of short stories by Ernest Hemingway. Each chapter is comprised of a vignette that in some way relates to the following short story. It contains several well-known Hemingway works, including the Nick Adams stories "Indian Camp," "The Doctor and the Doctor's Wife," "The Three Day Blow," and "The Battler", and introduces readers to the hallmarks of the Hemingway style. A year earlier in 1924, Hemingway published a much shorter book named in our time (in lower-case) in Paris. It consisted of just 32 pages. At the time of its publication, the book was recognized as a significant development in prose fiction, for its spare language and oblique depiction of the psychological states of the characters portrayed. Retrospectively, In Our Time is viewed as the beginning of Hemingway's highly influential style, which would make an indelible mark on twentieth century prose fiction.
