

# Robinson Crusoe By Daniel Defoe

[DOWNLOAD HERE](#)

Format: MP3 Language: English Release Date: March 4, 2009 Run Time: 8 hour 47 minutes Categories: Audiobook, Adventure, Fiction Product Description: The story of Robinson Crusoe shows on how a man was able to continue to exist on an island unaccompanied with just only some stuff. It is also a story that discusses on how the protagonist combats the problems and found elucidations for them. It also shows about the transformation of the protagonist who come from a very entropic life to be converted into a very pious individual. What we could pick from the novel is that young people should pursue things that are feasible and are arent against their will so that they wont contemplate or said to their self, if I only listen to.....
