

John Hostlers Squeeze Page Video With Mrr

This video will totally change the way you think about squeeze pages. You are going look over the master's shoulders while he works. Listen to what Steven Schneidermann says about John Hostler. "What makes him different is his tone. It has an edge to it that draws you in, slaps you in the face (and calls you Susan), and makes you take out your wallet and buy. Now admittedly such a tone may not be for everyone or every product, and that's why John provides a menu of styles and voices for his copywriting services. As a "pitch guy" John understands that the tone of your sales copy has to be appropriate for your audience. So he offers you copy with and without "sass." In fact, he [recently] had a great special deal including your choice of a sales page, autoresponder email series, or squeeze page along with one revision, site graphics and a software package of your choice!" Now that offer is sadly closed. Interestingly even on that special offer, John's price for a squeeze page was \$695 and those bought in thought this was a fabulous deal. Well if \$697 is fabulous, how much more fabulous is this 'over one hour', (actually 1-1/4 hours) sitting with John, watching this guy at work. Discover how one of the best copywriters around creates his own and clients squeeze pages. Break those long term habits that provide zero return. Begin to see explosive sign ups through your pages See precisely how the professionals actually win at this game. Open the door to increased profits - after all the money IS in the list. As I said previously, John Hostler, even when running one of his special offers would charge at least \$697. And thats just to create ONE squeeze page. But in this package, you get to sit behind the shoulder of John Hostler and watch for over 1 hour how he creates his squeeze pages. This outstanding education should be costing you in the region of \$1200 - After all you are getting education from the master himself. But you are getting this for only \$2.99 Tags: plr, mrr
