

5 Easy Ways To Maximize Your AdSense Commissions

[DOWNLOAD HERE](#)

"How To Instantly Increase Your AdSense Income Many Times Over From The Traffic You're Getting Right Now..." How would you like to make many times more AdSense commissions from the traffic you're already getting? Silly question, right? Well, it's a lot easier than you may think... I've recently discovered five little known tactics that can easily and instantly increase your AdSense clicks many times over - without - using tactics at all that Google would disapprove of. Here's how you can start applying these tactics right now... How To Skyrocket Your AdSense Clicks Do you really need more website visitors to make more income? Well, it certainly doesn't hurt, but the short answer is: no. More and more these days, you need to spend money to get website visitors ... whether it's with Pay Per Click, buying text links, banner advertising ... even email might not be free for much longer. So, what's the easiest way to increase your website revenue? Simple: make more from every visitor you receive. If you've got AdSense on your website, or are considering putting AdSense on your website, it's important you maximize the AdSense revenue from every visitor you get... I'm going to reveal five powerful ways you can use to vastly increase the value of every visitor you receive using Google AdSense... These powerful yet very easy-to-follow profit increasing tactics come in the form of ten brand new videos you view directly at your computer. I've bundled these powerful videos into a product called 5 Easy Ways To Maximize Your AdSense Commissions: These ten videos come to a total playing time of 80 minutes. Here's a quick run down of exactly what you get: ----- Video One (4 Minutes) In this video I reveal probably the easiest way to increase your AdSense clicks immediately. ----- Video Two (10 Minutes) Here I talk you through how to make simple but vital changes to your web pages if you want to maximize your AdSense commissions. ----- Video Three (12 Minutes) In this video I talk you through further ways you can structure your website pages to boost your clicks and commissions. ----- Video Four (4 Minutes) Here I'll show you a little known way to automatically test different AdSense units one against the other to help you find what works best for your site. Important: this tactic doesn't need you to buy, install or use any

third party software or services - what I show you is a little known feature of Google that allows you to do automatic split testing for your AdSense units and accurately track the results.

----- Video Five (4 Minutes) In this video I talk you through how to customize your AdSense units for higher commissions.

----- Video Six (4 Minutes) Here I reveal a very little known tactic that has been shown to increase AdSense commissions several times over.

----- Video Seven (9 Minutes) In this video I'll show you how one easy web page formatting option can increase your AdSense clicks many times over.

----- Video Eight (5 Minutes) Here I'll reveal why not every AdSense click is made equal and why some AdSense clicks are actually losing you profits.

----- Video Nine (23 Minutes) In this video I talk through a powerful web design "trick" that can save you hours, even days of work and which allows you to optimize your AdSense ad units with just a couple of minutes of work.

----- Video Ten (5 Minutes) Here I'll reveal an often overlooked but potentially hugely profitable option within your AdSense control panel.

----- For PC's Only - Not For Mac I must tell you that this eBook only works (to my knowledge) on PC's. If your computer is running Microsoft Windows, you won't have any trouble at all viewing this eBook successfully. However, if you're on a Mac you'll more than likely have trouble viewing it.
