FREE INSTRUCTIONAL VIDEO CREATOR PACK INCLUDED Does it ever feel like it is getting harder and harder to get new, qualified buyers to your websites to buy your products and services? Does it seem like search engine optimization actually is rocket science and other traffic generation methods like pay-per-click or banner advertising are always costing you more money? If so, you're not alone. New Report Reveals An Amazing Source Bursting With Traffic That Few Marketers Are Using... Dear Friend, Did you know that the YouTube video website serves up over 200 million video clips per day, to millions of people just like you and I? It's true...people are flocking to online video sites in droves, and they are watching so many videos, that even network television is worried that they'll become obsolete. It's so wonderful because barely any marketers really know how to use it as a promotional method. Simply put, creating 1 video promotion today can potentially get you hundreds of thousands of visitors to your websites in the future...And it's totally free because these sites pay for all of the bandwidth, hosting and traffic to your video promotion. And that's why it's important that you learn about this new medium today...so that you can take advantage of it and advertise your products and services with short video clips, without paying any fees per viewer (Before it gets played out like all the other website promotion tactics). But Creating Those Promotional Videos And Learning How To Optimize Them To Get Thousands Of Views Is The Hard Part... It could take you years and can cost you a small fortune to figure out just the right video creation and promotion techniques that make some online video promotions work - while others flop. But instead of knocking yourself out trying to come up with just the right video promotion strategy, you can now have it inside a new eBook called: Viral YouTube Traffic! Discover The Little Known Secrets Of Generating Free Website Traffic From YouTube! This amazing eBook is the result of researching over 200 websites and over 100 video promotions! Here are just a few things you are about to learn! How to do important keyword research on YouTube before you ever start to plan your videos (picking great keywords to tag your videos with). How to build your own niche video community on YouTube with the groups feature. The secret of viral videos: Learn what makes people send YouTube videos to their friends, family and coworkers. What you should absolutely NOT do after you've uploaded

your video. How to to add effects like titles, credits, transitions, and soundtracks to make your video an exciting multimedia experience. You don't want to miss this: Where to get amazing software which can animate a human face into realistic looking cartoon. How to use videos as a sales device on your company website (even if people don't find your video while searching YouTube, you can still use video to increase sales). Multiply your efforts with a list of more than 20 other very popular free online video sites. Explained: The 5 minute process to create a custom profile and your own custom channel information (This will give you a big advantage when people sort for 'Channels', 'Groups', and 'Playlists'). The most important information to look at when researching. What types of videos are popular? Learn the 10 important factors that are part of almost all wildly popular videos. The secret to increasing your video views with custom thumbnail images. Everything you need to know about how to brand the video with your company name and site URL using free (and easy to use) video editing software. Want people who watch your video to go to your website? Learn where in the video should you put your website URL.
