You can either start learning by reading hard-to-read manuals and ebooks or even hire a website designer who commands a very high fee to get your website created. But now all those are just a thing of the past. Ive assembled a series of coaching video tutorials that show you every single step in my minisite creation. And - it doesnt matter if youve never created a web page before, Ill show you every single step from scratch. These easy-to-follow tutorials come in the form of nineteen videos you view directly at your computer. Heres a quick run down of exactly what you get: Video 1 - (2 min 53 sec) ************************** - Organizing your folders to make way for your files (Looks simple but very important for you to do it right before everything mess up) Video 2 - (9 min 43 sec) ************************** - Working with the Properties box - Creating a new site map (Site Defination) --** Important!! - Adding your page properties - Add Title, background image, background colour - Creating a Table - Modiying the Table Properties - Inserting a Header Image into the table Video 3 - (16 min 17 sec) *************************** - Creating a table wihin a table - Inserting the salesletter headline, sub headline in text format. - Working with the fonts, font size, font colour, bold, italics, alignment. - Adding the Highlight code - Inserting an image into a table - Working with a table - Merging, adding image, changing the background colour, changing the border colour, size, etc. - Adding the horizontale rule Video 4 - (13 min 59 sec) ************************** - Creating table - Inserting Text with the Javascript code that shows the date and day. - Drop-down captital - Sub-headlines - Insert table -

Video 10 - Inserting Paypal Order Button - (1 min 23 sec) ***************************** In this video I will show you how to create a Paypal Order button and place it on your minisite so that you can start receiving orders right away! Video 11 - Inserting 2checkout Order Button - (2 min 22 sec) ***************************** In this video I will show you how to create a 2Checkout Order button and place it on your minisite so that you can start receiving orders right away! Video 12 - Inserting Clickbank Order Link - (1 min 50 sec) ****************************** In this video I will show you how to create a Clickbank order link and place it on your minisite so that you can start receiving orders right away! Video 13 - Highlighting Text in Yellow Colour - (1 min) ****************************** In this video I will show you how to highlight the text sentences in yellow colour. When done properly, highlighting selected sentences can increase your readers response to your offer. Video 14 - Inserting Email Capture Form Code (Aweber.com)- (2 min 26 sec) ***************************** In this video I will show you how to create the email capture form code from your Aweber autoresponder account and place it on your mini-site so that you can start receiving subscribers immediately. Video 15 - Working with Bold, Italics and Underline links - (45 sec) *************************** In this video I will show you how to bold, underline and make the words or sentences in italics font. Video 16 - Linking multi mini-sites to one another - (3 min 22 sec) **************************** In this video I will show you how to link to other pages of your mini-sites. Video 17 - Inserting a DHTML drop-in popup code - (2 min 32 sec) **************************** In this video I will show you how to create a popup code from a software and place it on your mini-site. DHTML popups are known to increase your sales conversion, so you would definitely want to use this powerful marketing tool.

Video 18 - Using the Find & Replace function - (3 min 28 sec) **************************** In this video I will show you how to quickly and easily find and replace similar group of words or sentences in your mini-site.

Video 19 - Changing the table to red-dotted border - (1 min 43 sec) ***************************** In this video I will show you how to create a red-dotted border table. This type of table is quite popular and being used widely by many marketers, simply because it can capture the attention of prospects much more than traditional tables with normal colour scheme. Save Your Time & Money With These Videos Now think about it. If youre not watching these videos, it may take you many months before you can finally create your first mini-site. (Of course, depending on your present level of skills and knowledge) You may have tried reading books and manuals on website creation but they can only tell you how to do it on writing. Youve still got to figure out how to do what youve been told! Why spend the next weeks and months trying to figure out all of the steps it takes to get your mini-site created and set up -- when you can watch someone show you exactly how to take action and get it up and running today? With these videos, youll be able to watch them directly from the computer screen itself! Ill Top Up Your Fool-Proof Passport To Success With My Unconditional 100 Iron Clad Money-Back Guarantee!
