Increase Your Backlinks Blog Buzz offers the easiest and fastest way to locate related blogs in any niche you choose which does not have the 'nofollow' attribute. This will help you to compile a list of blogs you can leave comments on and build a ton of backlinks instantly! Here's A Sneak Peek At What This Amazing Software Does: Identifies Wordpress blogs with the 'nofollow' tag in the comments field in ANY niche you choose Saves you time and effort from searching for blogs manually to leave comments on and building backlinks Shows you the Page Rank of each of the individual blog posts itself and home page of the blogs Displays the Alexa ranking of each blog (so you know what's the amount of traffic the blog receives) Tells you if you have left a comment previously on the blog so you can track your link building efforts with much ease. Allows you to save your findings and results for more effective tracking/analysis in the future.
