Did You Know That More Than 90 Of The Successful Internet Marketers make It BIG Through The Use Of Membership Sites? It's a small thing to wonder, since the popularity of membership sites are growing into becoming somewhat the wave of the future. Having your own membership site can be equated to having your own personal media where you can easily dispense your knowledge, expertise and credibility in an organized, quality manner to your members. With people spending more and more in E-Commerce and online shopping, it's not at all difficult getting people to be your lifetime customers through starting and managing your own membership site as compared to 10 years ago! Here's What You Can Do With This Ultimate Marketing Weapon:- Accept payments through the Internet's most re-known merchant, PayPal, in a flash! Earn residual income by charging your members a monthly or periodical fee! Start your own free or paid membership site and secure your member's area, making it restricted to only joined members! Build your list of more quality members, reducing your un-subscription rate in the process and making your list more responsive towards your offer! Fully automate your membership signup and cancellation process without involving you in person! Easily keep track and recruit affiliates to market for you! Features: Accept one-time payments via PayPal! Start your own recurring subscription membership site and accept PayPal payments! Easily protect your member pages to and offer only restricted access to your members! View, add, edit and remove your members profile easily from Admin Control Panel! Run your own affiliate program and market your membership site on an army of affiliates! Conveniently keep track of your affiliate stats and reward them with commissions! Automate your process of sending email notifications to your members when they sign up, join and even cancel their membership access! Email your members from your Admin panel - this is ideal when you have an announcement, update or a special offer to make to your members! If your members wish NOT to receive anymore mails from you, they can cancel their membership access at the bottom of your email. Easily edit your pages, no programming needed - you can edit your main pages, member's area, login page, and admin pages! Membership sites are the wave of the future and it's here to stay. The earlier you get into the game of the wealthy online, the earlier you can enjoy the privileges of the totally cool as real estate has for the wealthy

in the conventional world for ages.
