

Php Submit-a-link Script

[DOWNLOAD HERE](#)

This Submit-A-Link style script gives you the ability to offer instant links on your site. Your ads appear above and below the links and also on the submit page. You only need to edit one file and upload which makes this script very easy to use. This script also doubles as an opt in list! When anyone submit their link they give you permission to send them email. All email addresses are stored in one .txt file, making it very easy for you to add the emails to your current email program/newsletter script! Comes with MASTER Resale Rights!
