

Complete Colon Cleanse - D.c., Edward Group Iii

[DOWNLOAD HERE](#)

Estimates indicate that the average American's colon has a buildup of between 15 and 30 pounds of hard compacted fecal matter. In addition, millions of Americans have had parasites living in their intestines for years. Complete Colon Cleanse describes how to remedy these specific problems and experience the many health benefits of detoxing the digestive tract. In addition, Complete Colon Cleanse reveals the inconvenient truth about toxic buildup: Most foods contain preservatives, hormones, and additives that collect in the digestive tract. Common drinks including alcohol, coffee, and juice, also add to the chemicals accumulating in the colon. Even "healthy" foods can literally lay stagnant for days on end, rotting in the colon and turning into poisons. Packed with info on powerful, all-natural cleanses as well as advice on long-term colon health, this book is the ultimate tool for relieving colon-related illnesses, restoring vitality, and obtaining maximum colon health. Author: D.C., Edward Group III, Publisher: Ulysses Press Illustration: N Language: ENG Title: Complete Colon Cleanse Pages: 00240 (Encrypted PDF) On Sale: 2007-07-12 SKU-13/ISBN: 9781569755945 Category: Health & Fitness : Alternative Therapies
