Serefina and some new friends are just starting out in the world of university--the ultimate first time away from home. So many responsibilities, and yet, also, so many new things she never dared to dream. Serefina, She, and Saignon all are on a journey that takes them into and out of each other's paths, as new ideas and experiences begin to merge their lives together forever. Who can really know what is real until it is tested and explored? Serefina finds she is much more than she thought she was (but secretly always suspected) and this discovery takes her to places only wished for by many others. Life can turn in interesting circles and bring you to places where some may blush but others will embrace. The best journey begins when you simply say yes...Author: Ferron, Sai Publisher: iUniverse.com Illustration: N Language: ENG Title: She: All the Seven Stars Pages: 00000 (Encrypted PDF) On Sale: 2010-06-12 SKU-13/ISBN: 9781450208215 Category: Fiction : General Category: Fiction : Erotica - General
