

Wrightfood Photography Manual - Epub

[DOWNLOAD HERE](#)

In this fully illustrated book, food photographer Matt Wright gives real world examples of projects he has photographed, along with detailed information on the lighting setup, composition and production work of every single photo. Each shot shown has a detailed illustration of the scene setup showing light and camera positions, how bounces and scrims were used and more. With this book learn how to master natural light with simple guides to using scrims, bounces and more. See the differences between shooting with back and side lights. Discover the best way to shoot in artificial light and learn the technique Matt uses for shooting with umbrella lights to get a natural light look. All profits that Matt receives (70 of the cover price) goes directly to aid for Japan. NOTE: if for some reason you get the wrong file (EPUB instead of PDF etc) - contact me at matt (at) mattikaarts (*dot*)com - I will fix it. Dont just leave a bad review. Many thanks.
