

Pending Follower Ea

[DOWNLOAD HERE](#)

Pending follower will place pending orders above and below the ask/bid price according to the setting that have been entered. When a pending orders value (price) gets too far away from the current pricing it will be deleted and a new pending order will be placed as close to the current pricing as per the setting in the EA. quick instructions: after downloading the file , place the file into the "experts" folder under "C:\Program Files \ your_broker \experts". restart mt4 and the file will be in the experts tab.
