===== PRODUCT DESCRIPTION ===== As you probably know, adding testimonials to a sales page can be a highly effective way of increasing sales. Testimonials provide credibility to your internet business, by showing that other people have bought your products or services before - and are happy with the results. Indeed adding a few high quality testimonials to a sales page can, in some cases, as much as double the profits generated from the same level of traffic. Clearly getting testimonials from your customers is a no-brainer. In order to get customers to give you testimonials, you need to make it as easy as possible, which means providing a simple form where customers can submit a testimonial. This ensures that customers include all the necessary information - and allows customers to easily submit a photo of themselves with their testimonial. Testimonial Express provides a quick and easy way to set up this type of testimonial submission form automatically.
