Admin can manage the rating/comments of users. Pictures section displays picture details such as category, rating, and views. Clicking on a picture displays other details such as author, file size, and description. Audio & Video Sections: User can watch videos using video section, and can listen to audio files in the audio section. Games section is used to view different games added by the administrator. Add, edit and manage two types of links: Normal and Hot Links. Users can add static and hot links (requires admin approval). Have your site visitors contribute links to the hottest content in your niche! Hot links are displayed in the HOT LINKS AREA on all pages. Create newsletter for site visitors/subscribers. Change look and feel of your site with a single click. Select any of the 10 available themes. Add Google AdSense code (or any ad code) in admin panel. AdSense ads will be displayed on all pages in header and footer areas. Add, edit and manage users from admin. Add, edit and manage content like the newsletter, advertisement and user comments. Add, edit and manage users credits from admin panel. Search capability: User can

search the pictures, video, audio, games, jokes, newsletter. Login facility for registered members. Users can sign up as new members. All pages will have static links for SEO. Dynamic links are 'suitable' not for search engines! Static links are what search engines love. Your pages are dynamically generated. We are able to index dynamically generated pages. However, because our web crawler can easily overwhelm and crash sites serving dynamic content, we limit the amount of dynamic pages we index. Add, edit and manage the meta tags of any page on your site. Generate Reports And more! Lets recap about what you will receive... VIP Interactive Site Creator PHP Script with 10 Templates. Original sales page in english and german. Various images and a Master Resale Rights License. We are authorised Reseller and in the possession of the necessary licences for this product. Therefore we do not offend against the copyright! For the software & scripts no Support can be performed!
