For Your Eyes Only! Never Before Revealed Secrets of a High-Profiting Alibi Service.... Run a profitable business or just use the secrets for yourself! Discover How You Can Immediately Profit & Pay Little to Nothing Starting an Alibi Service What Could \$20,000 a Month Do for You? You didn't land here by accident. You are seeking a a homebased opportunity with little to no start up costs with immediate profitability. You dont dare think of paying someone to start a business, you want the freedom and knowledge needed to start this on your own. You are now in the right place. Never before revealed information is here at your fingertips that has previously not been shared or made so readily available to the public. These inside secrets came from an extensive interview I did with a successsful and high-profiting alibi service. Were Talking About Selling 100 LEGAL Alibis! Everyone at some point needs to get away from someone. A wife meeting a secret lover, an adult child of snooping or nagging parents, a boss that wont grant vacation, a girlfriend that would be jealous of a meeting with an ex-girlfriend. We arent speaking of illegal alibis; getting out of court duty, insurance fraud, etc. This service only deals with 100 legal & verifiable alibis provided to its clients! People are willing and read to pay for assistance to cover their tracks. Should this be you who sweeps the footsteps from the sand? People really buy legal alibis? You bet they do! There are just a handful of companies now that sell alibis, which is another great reason to start now. Some specialize in only one service, for example fake Doctor notes. Others offer a plethora of services from fake seminar visits to simulated flight and hotel comfirmations. Who would buy an alibi & why? Here's some examples to answer this question: Example #1 - A college student.... ...that doesn't want to go home for thanksgiving, so he hires your company to craft an excuse complete with the means for his family to verify his need to be away through phone, email, fax or just about any form of communication. Example #2 - An average husband.... ...who wants to meet with an ex-girlfriend innocently to reminice about old times. He knows his wife would not approve, so he contracts your service to make it appear as if he's at an important training seminar. Example #3 - A young professional.... ...gentleman out on a blind date that his aunt often sets up for him once a month. He's used to her not choosing the right girl, but doesnt want to hurt anyone's feelings so contracts your service to help him get

out in case the date isn't going well. Why would you choose to sell legal alibis for profit? Is This Immediate-Profit, Low overhead homebased opportunity right for you? Are you are seeking the right home based opportunity with little to no overhead? You want low to no start up costs, and a business that has opportunity to grow your pocket book, but also has the longevity to last into the future and operate for years to come. Here are 3 of the top reasons to choose to run a legal alibi service: 1. Money .and lots of it. From where? People who want to hide from spouses, significant others, parents, employers and others for discreet get-aways. 2. Flexible Schedule - You are the boss, so you set the hours. Crafty enough to build your own website? Then much of the work can be automated. The rest can be scheduled in advance to meet your needs, and the client will be happy to pre-schedule per your policy! 3. Ability To Work From Anywhere - As long as you have an internet connection, a computer, and a cell phone you can work from anywhere! Build up your business and travel the world! Work from home, grandmas house, or The Bahamas! Don't want to sell abilis? Use them for yourself! This guide is beneficial to the person needing ideas and ways to get out of obligations or mask their identity. If you want to learn cutting edge legal ways to hide where you are, this guide is absolutely necessary! How does the service work for its clients? Some of the ways the service covers its clients track is by providing: Providing phone numbers in any US city or foreign destination that can be dialed to or from. Changing caller ID to any country, any phone number. Changing the IP address of the clients internet connection to any US city or foreign designation. Phone acting - representing a boss, coworker, friend or other party when necessary. Providing realistic comfirmations for future hotel, flight and car rental plans. Simulating a seminar, complete with standard documents, comfirmations, and a "simulated" office with receptionist. How do I start selling alibis from the convenience of your own home? The Get Rich Selling Alibis e-book will guide you through every detail of setting up a full service alibi company. You can of course choose to specialize in only one service as you see fit. Here are the Facts: Low to no start up costs if you can buys this ebook, you already have the computer and internet connection necessary, and most everyone already has a phone line of some sort. Don't spend a cent until the client does - through the structure of the service, you will make money from the client before you do any work. Then once the client purchases a service, you still do not spend a cent until you collect this fee from the client. How does this work? The secrets are revealed in Get Rich Selling Alibis!
