What's The Surefire Way To Launch, Develop, Nurture And Grow Your Business Into A Profit-Pulling, Lead-Generating, Cash Flow Flooding Enterprise With Guaranteed Results?... "New Software Does It All And A Lot More... Automatically" Dear Friend, Imagine you have a great product at an unbelievable price, packed with fabulous features and extraordinary benefits. It's a perfect product for your target market. Your product or service is a Gem. How do you let people know about your amazing product? Take this quick-quiz... Check the correct answer: - Advertise in ezines - Recruit an army of affiliates - Pay-per-click advertising in search engines - Promote in forums & discussion groups - Write articles & special reports - Giveaway samples - All of the above Hint: The correct answer is NOT listed above. Yes! surprisingly, the correct answer is...Joint Ventures! "The Most Effective & Quickest Way To Sell Your Products Fast Is By Making Strategic Joint Ventures." Joint Ventures or JVs for short are alliances you make with other marketers who are already dealing with your target market and earned their prospects' trust. That's right. Joint Venture is the easiest way to earn cash within a couple of weeks or sometimes within a few hours... If you want to make more money, quickly, without investing an awful amount of your personal time and effort, you need to make strategic JVs, bringing-in qualified customers to you... 24 hours a day, 7 days a week. "Joint Ventures is the fastest, most effective strategy today to make successful alliances, generating instant cash-flows..." Let me introduce... Joint Venture Professional... a database-driven software that will bring you a flood of qualified customers... every day of the week. Sound's good? Keep reading. It is possible... Joint Venture Professional "A Brand New Software To Turn Your Business Into A Sales Exploding, Cash Flow Generating, Marketing Machine!" "JV Profits" Made Easy With Built-in JV-BROADCAST An ideal Joint Venture is a perfect win-win-win combination for your prospects, your JV partner and yourself. It works like this: - Prospects get an opportunity to buy from a known source whom they trust - Your JV partner gets commission or whatever the terms of your JV proposal - You quickly get sales, traffic or whatever you had hoped to get as a result of your Joint Venture - Almost always, Joint Ventures are absolutely free of cost to implement "Many self-made millionaires have used Joint Ventures

and Cross-Promotion Strategies to make tons of money! Now, It's Your Turn" Successful marketers are constantly on the lookout for prospective JV partners. "I know several website owners, ebook authors, software developers and information product sales people personally. These successful entrepreneurs send 15-20 Joint Venture proposal every week! Yes, you heard it right! 15 to 20 JV proposals are sent every week to prospective Joint Venture partners." "Why so many JV proposals?" A good and logical question. The reason is -- not all Joint Venture proposals get implemented. Your JV partners might be busy with their own promotions (of course, you always have to deal with busy marketers, don't you?) The Joint Venture 'terms' may not be agreeable to both the partners Your prospective JV partner may 'think' your product is not suitable for his prospects They may require more time to review your product before they consider any Joint Venture with you In the worst-case scenario, your prospective partner may NOT have received your JV proposal at all (due to spam filters) There are probably other reasons. What do you do now? "That's why I developed JV Professional..." JV Pro is a nifty software, capable of handling all your JV proposals from start to finish, proposal to implementation, idea to profits! JV Pro is a powerful, database driven application that can save you weeks of time and tons of effort by "completely automating" tasks such as: - Sending your Joint Venture Offers - Broadcasting your JV proposal to all your JV Partners - Receiving JV proposals from other marketers - Tracking of JV proposals - Monitoring every proposal you send or receive - Detailed "filter" based reporting - and much, much more... Explode your sales, get tons of subscribers, attract massive targeted traffic to your website using JV Pro's simple, easy-to-use interface. Here's what you can do with JV Pro: - Broadcast unlimited number of JV proposal to your prospective partners instantly! Have a new product? Draft a joint venture proposal, click "Broadcast" button and let JV Pro send personalized JV letters to your entire list of partners - Send unlimited individual joint venture proposals and JV Pro automatically keeps track of every proposal in the database - If you want to send proposals by email, JV Pro has a very powerful built-in "sendmail" program to email your JV letter right away - Keep a record of every JV proposal you receive from other marketers so that they are not lost in your mailbox or forgotten completely - Track joint ventures using built-in categories like emails to each others' lists, special discounts, endorsements, free product, access to membership sites etc. - Import prospective JV partners from other applications or a text file - Send your Joint Venture proposal by email from within JV Pro - without any hassles or delays - Monitor JV proposals you send or receive using an easy to use interface - Initiate follow-up emails for the proposals you send -

most JV's get the attention of your partner during follow up - Send reply to the proposals you receive while JV Pro automatically keeps track of every email you send - Generate "filter-based" reports of Joint Venture proposals you have sent or received to get only the information you want -- easily and quickly - JV Pro provides you details such as proposal name, product name, sender domain, recipient domain, type of joint venture proposed, means of proposal (by email, phone, fax, regular mail), your partner's profile (partner's name, email, address, company, phone etc.) and related information - At the click of a button, you can view the entire history of each and every proposal you sent, received, followed up and replied and you are always updated with all the info you need about your Joint Ventures - Manually change the proposal status and keep individual remarks for every proposal you send, receive, follow up or reply - View detailed JV Proposal reports on right on your desktop Of course, JV Pro is a professional quality software, bundled with easy-to-understand, plain-English user guide with step-by-step instructions on installing and using JV Pro on your computer "Yes, I agree JV Pro is a great software, but how much does it cost to buy this amazing utility?" (Aha! I knew you'll love it...) You know, JV Pro is a well-researched, "thorough-bred" software saving you a months of time and tons of effort. If you want to get something similar developed by a team of software developers, you will have to cough-up a minimum of \$5,000 and 6-8 months of your precious time. "\$5,000?" Yes, that's a reasonable price for developing a robust, database-driven software. You can check out elanceand see what price is being charged by programmers to develop such complex applications. Well, relax, you need not pay anything close to that amount. Not \$5,000, not \$2,000, not even \$1000 for this amazing software. No, you won't even have to pay \$500. You'll pay only: US\$ 47 for a lifetime license Yes! you can download JV Pro right now for just \$47 Why such a low price? "I'm glad you asked..." I knew you would ask this question. Why only \$47 for such a powerful tool? "Well, I know I'll attract a larger number of people this way. In future, when I launch other products, I know the trust I've created with you by offering you such a tremendous product at such a low price will make you more likely to buy them" "Right, that's really an incredible price for this kind of a time-saver". "But Wait... That's Not All. You Also Get..." ... more.
