Creating a website from scratch is one of the most difficult tasks that you might encounter when trying to make a living online. You can either start learning by reading hard-to-read manuals and ebooks or even hire a website designer who commands a very high fee to get your website created. But now all those are just a thing of the past. Ive assembled a series of coaching video tutorials that show you every single step in my minisite creation. And - it doesnt matter if youve never created a web page before, Ill show you every single step from scratch. Introducing:- Mini-Site Made Easy With FrontPage This video coaching series come in the form of 11 videos that you view on your computer. Ive included a full list for you here:
