Instantly Turn Your Word Documents Into Google AdSense Revenue Generating Web Pages!

WordToWebPage is an easy to use desktop application that allows you to convert any Microsoft Word document into a ready to upload webpage even if you have absolutely no programming experience at all. Better still, WordToWebPage allows you to have complete control of your website. In a matter of seconds you can: Choose from three different web templates. Input keywords, headers and footers. Select background graphics Place your AdSense advertisements. WordToWebPage Can Turn Your Dusty E-Books Into Profit Pulling Machines! If you are into Internet marketing, you probably have a bunch of e-books that just aren't selling as much as you'd like. Many people have the private label rights to books that they've never really been able to profit from. Imagine if you could use them to generate passive Google AdSense income? With WordToWebPage you can. Simply use WordToWebPage and it will convert your e-book into a fully functional website loaded with Google AdSense! That means that with WordToWebPage you can convert a 300 page e-book into a 300 page website with hundreds of profit pulling AdSense links in a matter of minutes! You might end up generating more income in a month from your new website than you would have in a year's worth of e-book sales! WordToWebPage Handles All Of Your Online Formatting Challenges! If you've ever tried to master HTML coding to build your own website, then you know how big a pain it can be to get your site just right. Sure, you may know what you want your site to look like on paper, but translating that into the right code can be almost impossible. Even if you are an HTML master, one simple keystroke mistake could blow the look and feel of your entire site and take hours to find and correct. WordToWebPage makes sure you never have to deal with that again! When you use WordToWebPage it automatically converts all of your fonts and original formatting into uploadable HTML code. That means that your website looks exactly like your Word document. You have complete control of your website in a matter of minutes! Create A Giant Content Rich Website In A Matter Of Minutes! One of the best ways to get web surfers to see your products is to create a highly ranked website. Yet, to get a high Google or Yahoo rank, you need to have as much legitimate content as humanly possible. The problem is that if you simply upload hundreds of pages of junk content, you might

actually get kicked off of many major search engines for creating spam websites. WordToWebPage is your solution! Because you can use your existing e-books as the basis of your site, you can create hundreds and hundreds of pages of real content that people want to read almost instantly. Since your content will be full of useful information, you will never have to worry about getting black listed by Google ever again! Meanwhile, your site visitors will be constantly looking at AdSense links and banners and helping you make money from your old, stagnant information products. It could be like making money out of thin air! You Wont Believe How Easy It Is To Use Word2WebPage! One of the things I hate the most is when I purchase a new piece of software only to find out its so complicated that it takes hours or even days to learn how to use the darn thing. After all, I buy software to make my life easier not more complicated! Thats why WordToWebPage was designed to be easy for anyone to use. You simply have to follow the intuitive four step system! Step One: Choose your template. Step Two: Select your Keywords, Headers, Footers and Background. Step Three: Input your Google AdSense information. Step Four: Select The Document You Want to Convert. Thats it! With the next click of your mouse, your Word pages are created instantly! You will be able to build as many web pages as you want, whenever you need to! Just consider the full suite of benefits you will receive... The ability to make a super content rich website quickly and easily. The chance to convert non performing Private Label e-books into profit pulling web pages. The opportunity to create an easy passive income stream, with minimal investment. The power to build as many web pages as you want in a matter of minutes. Freedom from programming hassles!
