Create A List Of Millions Of Subscribers 100 FREE! Thats right this software allows you to run a list-building service. Its a powerful new twist on a proven concept. The service helps your members build their own list so the member database grows virally and automatically using a forced 4 X 10 matrix. The beauty of this system is that each member can only mail their list once a week from your system - however, you can mail to it as often as you like. Enhanced features include: Confirmation to ensure valid emails HTML & Text email broadcasting First name mail merge List stats by level Easy and automated referral system The software was designed from the ground up to scale to any size database using arithmetic logic to fill the matrix. This ensure the system wont grind to a halt as the database grows.
