Amazingly Simple Concepts Helps You Identify A Good Man or Good Woman! By Shawn Nelson, MSA I must admit the headline is a little deceiving! The guide is not only about identifying a good man or good woman. It focuses on how you prevent yourself from meeting the mate you deserve. If you constantly think to yourself, "How many times must I waste my precious sanity dealing with the wrong man/woman before I finally wake up" you need to the guide. Identifying a good man or good woman is not as hard as you think. Sure, there is a shortage of men or you may not be able to find a decent woman. Yet, good men and women walk pass you everyday and you don't see them. You will learn: How to identify a good man or good woman How to remove the barriers that prevent you from acknowledging a good man or good woman Why you aren't happy How your wants and needs cause most, if not all of your relationship problems How you use ineffective methods to select men and women How to refine your wants and needs to identify a good man/good woman How to use your good man/good woman list to find the love of your life The best way, which is overlooked by millions of people, to avoid another relationship disaster How to say Goodbye To Unhappy Relationships and Heartaches forever By the time you complete the guide you will be more clear on what you need to do (and not do) to finally get the good man or good woman you deserve! No more: Selecting the wrong mate Accepting less than you deserve Judging people by their exterior Falling for what people say Chasing after a dream that doesn't exist Living a fantasy that cause broken hearts And much more! Let me be blunt! If you're having a difficult time finding a good man or good woman there is a very good chance you are the problem.
