Admin can set price for members using e-gold payment,can add directories or delete,delete members! Admin can set free using Link Popularity! Script use online html editor! Script have cron job, so if someone not pay for service,cron disable it link! Q: What is link popularity? A: Link popularity is basically the number of links that point to your web site. Besides the optimization of your web pages for meta tags and search engine readiness, link popularity is considered as being a major factor for your ranking in the search engines. A large number of links that point to your web site will therefore improve your ranking significantly. Besides that, well placed links are an excellent source of consistent traffic to your web site. Recent studies have shown, that most web sites are being found through search engines and secondly through links - what makes link popularity double-effective! Instant Links Exchange system is very simple. All websites need incoming links to their site, this is how your site is ranked by the major search engines. In a nut shell each website that links to yours is like a vote, stating that your website has good information on it. The more inbound links from other sites you have, the better. Exchanging links is the #1 priority on the list when it comes to internet marketing. Instant Links Exchange system is very simple.
