Keyword Niche Power With Resell Rights. "How To Discover Multiple Red Hot Keywords For Your Web Pages So You Can..." ... Rank Your Websites HIGH In Popular Search Engine Results, Take the Guesswork out of grabbing the potential keywords you need, And use them to Drive In HOT FREE Targeted Traffic! From The Desk Of [Your Name] Date: Dear Search Engine Optimist, If you would like to: Quickly discover red hot, profitable keywords for your niche web pages, Rank your websites high in Search Engines for popular search results, Receive FREE targeted traffic from major Search Engines at full throttle, and Get Focused and specific keywords for your PPC Campaigns Then this letter is a MUST READ, as it will show you how YOU can accomplish all these in less than 5 minutes from now! My name is [Your Name] , and I have discovered a solution that can enable you to achieve all this in almost instantly! You and I know that Search Engine Optimization is one of the best ways to go, especially if you DON'T want to spend a fortune on traffic-generating. After all, Search Engines are usually the first things Internet users use when they start searching for information they need. And if these Search Engine users come across your website in droves, you stand a high chance earning from every visitor to your website. While this online success equation is rather simple, the problems are more complicated than that. For starters, more than 90 of your Search Engine Optimization success depends heavily on profitable keywords. In other words, if you don't have laser-focused keywords displayed and embedded in your web pages, you: CANNOT rank your web pages high for popular Search Engine results. Notice I said "popular" and not just any kind of obscure search results. You want to have your web pages listed in the TOP 3 pages for keyword results that people often type into the Search Box everyday for your niche. If you cannot have that accomplished, you in effect... CANNOT receive FREE targeted traffic. Since Search Engine users on the average do not search beyond 3 pages on specific results, you are likely not able to receive FREE Search Engine traffic, short of being ranked in the top 3 pages for your hot-searched niche keywords. You also... CANNOT find specific enough keywords for your PPC campaigns. It is hard enough to sit around trying to find the right keywords for your PPC Campaigns. There is no shadow beyond a doubt that it has to do with your poor choice of keywords and its density in your web pages! Since the ads

are irrelevant, you won't much, if any at all, from this program, even IF you manage to drive in targeted traffic into the web page. I mean, what are the chance of a gardening enthusiasts clicking on an ad that is related to finance and mortgages? But these problems are ready to be past, because I will be...
