free And much more! In this eBook I outline what kind of information your site should provide so that your customers find you absolutely irresistible. You will find out -- 1. What the essential resources are that you absolutely need to have in place before you begin building this type of site. 2. How to create and offer your clients the kind of information products that get them interested in the first place 3. Just what is a prospecting list? 4. Why you need more than one webpage to collect subscribe information so you can gather clients for this type of site 5. How to focus the design of your website so it meets your goals when it comes to converting new list members. 6. How to add content materials that might help convince visitors to visit your site, get out that credit card and enroll in your membership site 7. How to interest visitors who belong to a niche market such as dog owners 8. How you can use promotional and advertising materials to appeal to your customers 9. How to build a simple back office system that is set up to deal with a list of subscribers 10. How to direct your customers right to the page they need to sign up on 11. Why your site does not have to be that flashy to get visitors to enroll in it and in fact why this kind of thing can actually discourage them from enrolling 12. How to register a domain name 13. How to determine quality and value material and why that is essential for the well being of your information site 14. What is plagiarism and why you should never copy someone elses work and post it on your information site as your own 15. Promises that you absolutely must make to your customers regarding privacy, opting out of the list and spamming them 16. How to come up with a bribe or free gift that you can offer your visitors to encourage them to sign up for your membership conversion 17. How to create perceived value for a free gift so that your visitors will sign up for a membership conversion 18. How to create a free eBook that you can give away in about two hours to encourage your customers to enroll in your site 19. How to construct a phrase that will attract customers to your site and want them to belong to your exclusive club 20. Of course none of the above is just "add water and stir" and ta-da you have big converting membership site! 21. It takes a bit of conceptualizing to push prospects to become customers and then in turn to convince them to become members 22. In the Chapter in 1 Month Membership Riches I discuss very practical ideas such as - 23. How to find the focal point of the information that you are going to supply to your members 24. How to give them additional information to augment the information that you used to draw them to your website in the first place 25. How to really target that information that you have on your site so you know that you are answering the questions that they will be surfing for on the internet 26. How to fulfill all of their needs using information that you have acquired for free 27. How to

avoid a saturated market place so you dont build an entire site full of information that nobody really wants 28. How to determine if the audience you have in mind is willing to spend money or wants to 29. How to use Google search engine pages to do a little market research about whether or not your project will succeed or not 30. How to use a very useful and FREE Google tool to find out what kind of information people are looking for online and use that to develop a converting membership site 31. How to think of the "pain and need" of your customers in order to find out exactly what will make you the most money in terms of information provision 32. How to turn a small handful of customers into a goldmine of converted members 33. How to build trust and intimacy with your customers so they want to be part of your enrolment site 34.
