Website Flipping Tactics Discover a reliable source of extra untapped income that takes less than an afternoon to create! Now, before you start worrying about how to do it, you need to know those all-important insider tips and secrets about what to do and where to do it. In fact, if you're in the same place I was, you probably already know how. Its not going to take a hefty investment. (In fact, you may not even have to shell out any cash at all - but more of that shortly.) Im not going to tell you it will allow you to buy a yacht in a year. You wont pay off your entire mortgage next month, or buy a Ferrari for cash with my solid little secret. But you will have the potential to bring in extra income when you need it. Every month. All year round. Rain or shine. \* Money for all those emergencies that life seems to throw at us. (Yes - usually at the most inconvenient times!) \* Money to set up a solid debt reduction plan - because now youll actually have extra monthly income to put into it \* Money for that vacation youve been dreaming about; that new computer system; car repairs youve been desperately needing for ages... I also include valuable insider information you simply cant afford to miss, if youve arrived at this site because youve been seriously considering a turnkey business opportunity: # How to find hot niches - with low competition! # The best non-techie, user-friendly choices for website creation # Tips for finding the best templates for turnkey sites meant for flipping # Registering a domain name with a registrar who makes it easy to transfer # Hosting company secrets # youll need to know ahead of time Monetizing successfully at a starter level Tags: mrr
