

Solarpay Software Scripts

[DOWNLOAD HERE](#)

SolarPay Payment Processor Script has many of the functions that established payment processors have, and is, obviously, designed to make its owner money. This dynamic software has been programmed to do most everything automatically, from helping customers instantly recover lost passwords to sending receipts to customers for their records after they have made a purchase. Key features include member area, advance admin panel, fund account using paypal, stormpay, credit card, echecks or money orders..
