

# Cloaker Buzz Affiliate Link Redirector With Resale Rights

[DOWNLOAD HERE](#)

Are you sick of having your affiliate code chopped off by jerks who want to keep you from getting a commission? Or having it outright switched by competitors? The Cloaker Buzz Link Cloaker/Redirector is what you need! It will hide ("cloak") your affiliate links, so competitors, jealous people, and search engines can't see them. Tracking will not be compromised! It also allows you to redirect your cloaked links to the site of your choice. Does your merchant have a lousy landing page? Aim your visitors at your own sales page (or whatever page is strategic) to increase conversions! You can also use this to redirect non-affiliate links. Don't want people to know what's on the other side until they click? This is for you!
