

Purchase Bulk Email List(20 Million Email Addresses)

[DOWNLOAD HERE](#)

****NEW 2010****For sale is a list of 20,000,000 yahoo email addresses with stand- alone mailer.(tested jan.11 2010)Use the mailer to deliver your business advertisement without detection from your ISP.This list has more than 20 million addresses just to make up for the ones which are duplicate or no longer working.Full instructions provided w/ software.All emails are provided in the correct format to easily bulk add into the software so theres no need to add each email address one by one. **IMPORTANT:** Send useful(coupons,freebies,articles,etc) info first before sending an advertisement for better results.Priced cheap so your return on investment is through the roof. **THINK ABOUT IT:**IF only 1 bought your product or affiliate product for only \$1,THATS ENOUGH right? Fact:1 of 20 million is 20,000. $20,000 \times \$1 = \$20,000$ Get it?
