How To Set Up And Profit Using Tradebit Tradebit allows you to easily set up an e commerce store where you can sell downloadable products. Your store is feature rich and there is no monthly fee to keep your store. You only pay a fee when you make a sale. You also have a built in affiliate program. You pick how much you want to pay your affiliates and everything else is handled for you. The site that is created is search engine friendly. You get tons of file storage (99 Gigabytes). You can also integrate your store with Clickbank and Paydotcom. Here is just some of what you will learn: * How to properly layout your store * How to upload your products * How to add a free preview * How to create collections. * How To use discount groups. Now is your chance. This video series is going to show you everything you need to know to set up a Tradebit store - the right way. All you need to do is get started.
