"Sick And Tired Of Making Pennies For Handing Your Visitors Over To Your Competition?" Rotate Any Ads That Can Make You Money While Keeping Your Visitors Dear Website Owner, I have some very exciting news for you. Now you can easily put links to any affiliate programs you want on your web pages. You decide what ads are displayed on your websites. I'm sure you have seen those AdSense ads on many websites, heck you probably have them on your own site right now. If you do, then you know that the ads shown are matched to the content of your site. That means the ads on your site could be competing with you for the same customer! If someone clicks on one of the AdSense links, your site disappears and that visitor could be lost forever. How much are you making to send your potential customers away to your competition? A few cents maybe? Take Back Control Of Your Content Wouldn't it be great if you could have full control of the ads displayed on your website? Well, now you can.
