Recipe Sales Website With Master Resell Rights !! Brought to you by: ebookloadz.com Create a Recipe Services Website!! The recipe site is an appealing database driven resource for people to post, view, rate and review recipes from all over the world. This site features a powerful PHP/MySQL programmed backend to deliver 50,000 records for members and recipes. This site is a great, easy revenue and viral traffic generator that almost runs itself. How it works With the recipe website you offer a free exchange of recipes for users who are required to register to use the site. Advertisers benefit from having a vast database of users viewing their ads delivered in two banner sizes, plus text advertising in an opt-in site newsletter! SUPER BONUS: Order now and receive MASTER Resell Rights so you can sell Recipe Script and keep 100 \$\$\$ of the profits! You will even get a copy of this sales page which you can easily customize. Important notice: These product are perfectly working, error free, unencrypted, viral checked, No back door entries, complete genuine product. These generally sell for hundreds of dollar on script website, Ebay and other websites. We are offering you at a very low price... Only \$3.99. There are no refunds for this product everything is perfectly working and Complete set of installation information is provided with this product. If there is problem with the script then it is from the server side as shared hosts have a lot of restrictions; prefer dedicated host service. We do not provide any Installation and Product Support. If You Need assistance with installation we recommend you scriptlance, there you can get installation support for a low price. Thanks ! For more great ebooks and software with Resell / Master Resell Rights !! Remember to Visit: ebookloadz Your #1 Digital Download Store! Great Digital Products & Prices!
