You may alter it anyway you desire. Here are just some of the methods for you to pull in a profitable income with these top quality articles... 1. Put together a content website and set your Google AdSense code into your pages for hands free Google AdSense cash. 2. Use the articles to draw fresh subscribers and clients to opt-in to your list and after that use more of the articles to follow-up with consumers then sell them. 3. Develop good quality mini electronic books that you can plug affiliate links into to come up with big time affiliate income. 4. Stock up your content articles in your autoresponder to go out once a week and have a newsletter set for a year in advance. 5. Put a good eCourse to your products as a bonus that goes out weekly! This will drastically cut down on refunds given that they want the remainder of the quality eCourse that is continuous past the refund deadline! 6. Offer a few of the content pieces as a meaty report that your visitors can give away to advertise your site. You can also brand it with their links in order that they make affiliate income! 7. Organize the articles into a full fledged paid product and then sell it for big money! 8. Submit the articles under your name to all the article directories you can obtain and get hoards of traffic, back links to your web site, and higher search engine ranking.
