This book was written during a time of a recession in my country. I am a few days away from being a bastard case. My father bailed out on me and my mother. I fell in love with doing crimes at the age of 12. I caught my first felony at 15. I have a lot of stories to tell from first hand. I stripped myself away from blessing at an early age. You can see some of my childhood achievements at googleand search for Zakee Howze. I have good friends that were murdered or had to go before the creator because of their reasons. I started feeling like nobody loved me. Actually some people did stop loving me. You the man when have the money, but what about being a good person? That doesn't matter to a lot of people anymore. One thing I learned is that when materialistic items are stripped away from people you will see nothing but their true character. I had to write this book because I witnessed too many people who do not control their own life.Author: Howze, Zakee Publisher: iUniverse.com Illustration: N Language: ENG Title: Fragments A.K.A.
