Discover how a real life eBay PowerSeller who actually trades on eBay legally drives 1000s of visitors to his websites using online auctions and the viral power of eBay. You may not know this but there are over 30 different ways of driving traffic to your websites using eBay and information products. And it is all 100% compliant with eBay's terms. If you think about that it makes perfect sense, with the cost of Pay Per Click advertising rising all the time and the competition becoming more fierce everyday you can quite easily invest your hard earned cash into eBay and turn your auction visitors into lifetime customers. And this eBook will show you how. You are about to discover *proven* methods of driving traffic to your websites, squeeze pages and affiliate related offers. These are methods I have been using myself since 2004 and continue to use today. Most of these methods are still relatively unknown and you can start implementing these methods into your business within minutes. Buy this eBook and you will learn methods such as: Over 30 ways to drive auction traffic to your websites. How you can use the tools eBay supplies to LEGALLY build your list. How to LEGALLY put your web address into your auctions. Why you should be selling info products and the tools you should be using. How to turn your buyers into sellers that promote you and ultimately make you money. How to turn auction visitors into subscribers. So how much would you expect to pay for this sort of information from a genuine powerseller? \$97.00 - 67.00 - \$47.00 - \$27.00 Well you may be shocked to know I am only charging \$7 for this eBook, I was actually going to charge at least \$27 but changed my mind, for 3 reasons. 1. I want as many people to read this eBook as possible and when you read it you will understand why. And \$7 puts this eBook within reach of the vast majority of people. 2. Anyone who's not serious enough about their marketing efforts in 2007 to invest \$7 into this eBook isn't going to take the time to use the methods laid out inside anyway. If this is a subject that interests you the price should not matter. 3. Anyone who is serious enough to put down the price of a fast food dinner and buy this eBook has the opportunity to sell the eBook to others and get paid the FULL PRICE of every copy they sell immediately. More details on how to do that are in the eBook.
