Graphics is definitely a top priority when it comes to building an online presence. You dont need a degree in art and design, you dont need to spend hours watching poor quality videos on YouTube, and you definitely wont need to fork out \$497+ on a graphic designer. Here can you buy RAW and UNFLATTENED PSDs. With each website youll receive the PSD template, eCovers, banners buy now buttons and so much more. And because theyre unflattened, you can drag and drop the graphic elements into your own website such as text, logos, people, icons, textures, colors and much more. With these RAW templates youll be able to get REALLY creative and produce beautiful and profitable websites all by yourself! Heres what you get: -= Template PSD graphics -= this is the front cover of your mini-site template where your header, footer and page background, your sales letter, eCover graphics, and everything else is stored. Youll be able to fully edit, move and modify for your own site -= Package PSD graphics -= youll receive the unflattened package graphics which may include a stack of CDs, boxes, DVD cases and more eCover 2D PSD graphics - with the flat versions of each eCover, youll be able to edit and render each file to make your own virtual products -= Range of banner PSD graphics -= youll receive the raw banner files and animation script thats used to make your banners look so good. Edit how you wish to promote your products -= Gaurantee PSD graphics -= guarantees improve conversions which is why weve included them in here for you to edit and re-word to suit your own product -= Component box PSD graphics -= the component box stores your module, or in-depth information about your product. Use it to redirect your visitors eyes to the real meat of your product We sell allso the complete PSD-BlowOut-package for a very low price - watch out and save money.
