Fellow Marketer, Im going to keep this brief because this is honestly a no-brainer. In fact if you cant figure a way to make money using this software then you should probably go find a nice comfortable desk job and stop wasting your time trying to do business online. Niche Site Maker is a fill-in-the-blanks wizard where you give it a few details about the niche you want a site built for, drop in some PLR articles on the subject, pick a header graphic and at the press of a button it spits out a ready to upload niche site packed with your affiliate IDs. Niche Site Maker works with Amazon, Clickbank, AddThis and Google AdSense. But This Is No Ordinary Software Solution... Of course I couldn't just call it a day having created this amazing piece of software! I needed to make this a solution that my customers can offer to their customers...
